

# **ARCH TECHNOLOGIES**

Sharpening your hidden skills for a brighter future

# TASK 1: PERSONAL PORTFOLIO

- Introduction: Introduce yourself and state your ambitions.
- Background: List your education and key certifications.
- Projects: Showcase a variety of projects with descriptions, roles, tech used, and outcomes.
- Skills: Display your technical and relevant abilities.
- Experience: Detail work history, responsibilities, and contributions.
- Testimonials: Add endorsements if available.
- Blog/Articles: Include links to demonstrate communication skills.
- Achievements: Feature awards and honors.
- Contact: Provide contact info and LinkedIn profile.

## TASK 2: TO-DO-LIST

- Build a simple to-do list application that allows users to add, edit, and delete tasks.
- You can use HTML, CSS, and JavaScript for the front-end and store the tasks in local storage or a simple backend server using technologies like Node.js or Flask

## Submission Details:

- Make a ZIP or RAR file of the Code or any related things (if any), or share a GitHub repository link. Email it to [submissions.archtech@gmail.com](mailto:submissions.archtech@gmail.com) before the 27th of this month.
